Once upon a time...

There was a Red Panda by the name of Rita. Rita lived in the Himalayas.

This is Rita's home!

Her dad had never cared about her, and her Mom had gotten squished by a Giant Panda named Gigi.

3

She wanted to make her dad proud of her, so she challenged Gigi.

4

She felt like a fly, trying to dodge a swatter when Gigi tried to squash her.

5

She had to climb up a tree to escape!  
But Rita was a very good climber.

6

When Gigi tried to climb up the tree it fell over!

7

Rita jumped off just in time so that she wouldn't roll down the mountain with the tree and Gigi!

8

After that Rita's father was very proud of her and she was very happy!
