## NATE – PAPA BEAR - BIRTHDAY IN THE PARK

Nate continues full time at SpaceX and enjoys all the excitement and hype when they do cool things like launch astronauts and have successful landings for reuse! He got to spend a short week with his brothers hiking Mt Adams in July. This fall he finished up and received his "Licensed" level of ministry credentials. Nate expects to be ordained by September of 2022. We started Active Love Church with online presence in April and found a location to start hosting in person events in September. We are excited to see where God takes us in 2021. We hope to launch full services by the fall.

## BECCA – MAMA BEAR – MASSAGE CHAIR BIRTHDAY

Becca's primary job is to keep everyone alive and fed each day with homeschooling (H is 7<sup>th</sup>, B is 5<sup>th</sup>, G is 3<sup>rd</sup>, and J is K), gardening (canning), and housekeeping on the side. We have six rental properties, two of which are being used for ministry. She also teaches finances for the Hope House, a transitional housing program. We opened Connections as a ministry of Active Love in September to reach the McGregor school-age children and their families. She is managing the social presence for all our activities.

## HANNAH – SISTER BEAR – ESCAPE ROOM BDAY (12)

Hannah played basketball in the spring with a community center and competitive volleyball in the fall with a homeschool league. She grew at least 6 inches and is starting to look more coordinated, she also lost her last baby tooth. She wrote and composed two songs this year and is learning a lot about how to use her keyboard and lead worship. Hannah has a YouTube channel where she posts all the silly things her and her siblings get up to when mom gets tired.

## BEN – BROTHER BEAR – AMONG US BIRTHDAY (11)

Benjamin started the year playing basketball, but hasn't had a lot of opportunities for sports this fall. He has been helping at Connections with the games, has a YouTube, and plays a lot of video games with his buddies. He is stepping up as the 'big' brother when mom needs a little help. He saved up to buy himself a laptop for Christmas and has lost 6 teeth so far this year.

## GINNY – NEW SISTER BEAR – HARRY POTTER BDAY (8)

We met Ginny last May, started having visits with her in January, got her moved to our house at the end of May, and should be finalizing her adoption before the end of the year. She has adjusted well to our family and rolls with all the busyness that we seem to take on. She plays well with Joel, spends a lot of time on the trampoline, and is learning to do her schoolwork (and housework) to mom's expectations. For her extra activity, she attends ninja class with Joel.

## JOEL – BROTHER BEAR – PARK RELAY BIRTHDAY (5)

Joel is quite precocious and outspoken. He enjoys playing with Ginny most of the time and we've only had a few occasions of sibling issues adjusting to having another one closer to his age in the house. He loves his ninja class and can often be seen practicing a spin kick or jumping off of something. His baptism was rescheduled twice but he finally got dunked in July. He can't wait to be "bigger" so he can do the things his siblings do.
